### **From The East**

Brethren,

Here we are almost to May. Spring is in the air even if it's not reflected in the temperature. I am happy to report that Freemasonry in Grey District is alive and well. I have been told that R. W. Bro. Hiron's last official visit to St. Alban's had an attendance of 90 mason. An impressive number and congratulations for R. W. Brother Hiron's hard work in making it happen.

May is also the month of our annual election of officers for the ensuing year. If anyone is interested in pursuing any position in the line, please do not hesitate to contact myself or the secretary. Please make an effort to attend and make your vote count.

The regular meeting will be our elections along with some education I have received from the latest W. M. workshop that had some interesting statistics about our membership. I will also be calling an emergent meeting for Wednesday, May 24<sup>th</sup> to pass Bro. Wise to his 2<sup>nd</sup> Degree. All those who were on the worksheet, please brush up on your work. I will be calling at least one rehearsal in May depending on space availability.

Brethren, as usual, if anyone is ill in or distress, please contact the lodge as soon as possible. If anyone needs a ride, please do not hesitate to contact myself or the secretary so we can make arrangements.

Sincerely and fraternally

W. Bro. Stewart Brass

W. M.
